

Dear Dr. Rizk,

I cannot thank you enough for everything you have done for me. You have given me what I never thought possible - a natural-looking and beautiful nose for my face. Even more so, with your additional tweaks, you have transformed me into the best possible version of myself. I am truly in awe of your work and your talent. Thank you for giving me a level of confidence I never thought possible, and for erasing over ten years of insecurity and disappointment within a few hours. The best part of my two unfortunate rhinoplasties was that they brought

me to you, and thus to a place I never thought I could be. I also wanted to thank you for your kindness and patience throughout the entire process, and for helping me to be the best I can be in every possible way. I feel lucky to have found you - not only as a doctor, but as another genuinely good person in my life. You are the BEST Dr. Rizk, and I am forever indebted to you.

Your friend always,
